2760 Mission St 2nd floor
San Francisco, CA 94110

Dear Mr. Garcia Uriarte,

We are writing express our deepest gratitude to Liberation Law Group for designating La Raza Centro Legal as a cy-prés beneficiary in *Romero et al. v. Morada Produce Company, L.P.*

The funds will support our Workers' Rights Program, which has spent decades protecting low-wage and immigrant workers in San Francisco, including securing significant settlements for workers exploited by unscrupulous employers and enforcing the city's labor ordinances.

This designation comes at an especially critical moment for our program. Last year, the Mayor's Office of Housing and Community Development eliminated funding for general civil legal services from its budget, removing a significant source of support for the Workers' Rights Program. Your designation will not only help offset that loss but will position the program for long-term stability, allowing us to continue this life-changing work for years to come.

We also want to acknowledge that this is only one of many times you have championed our Workers' Rights Program by nominating us as a cy-près beneficiary. Please know how deeply valued you are as a partner in this work and how proud we are to collaborate with you. We are inspired by the mission of your firm and by the material difference you have made for workers who have been wronged by their employers.

We take the responsibility of cy-près beneficiary seriously and are committed to ensuring that these funds go directly back into the community, honoring the spirit of this lawsuit and making a meaningful difference for the workers it sought to protect.

Our new Executive Director, Hillary Ronen, joins us on August 1, 2026. We look forward to telling her about your longstanding support and sharing the wonderful news of this designation.

Yours truly,

Jordan Weiner
Interim Executive Director
